06 Oct 2023

To All Registered Architects

**BOA PRESENTATION CEREMONY AND SEMINAR, 7 NOV 2023, 8:30 AM
GRAND BALLROOM, ONE FARRER HOTEL, 1 FARRER PARK STATION ROAD,
SINGAPORE 217562**

The Board of Architects (BOA) will holding our annual Seminar in conjunction with the 2023 Certificate Presentation Ceremony on 7 Nov 2023 (Tue) at 8:30am at the Grand Ballroom, One Farrer Hotel, 1 Farrer Park Station Road, Singapore 217562.

The BOA Presentation Ceremony is an annual event where the architectural fraternity gather to witness the conferment of Registration Certificates to our newly registered architects, and to get updates on issues pertinent to the profession and the industry locally and internationally. The event attracts more than 500 architects and guests from the built environment sector each year.

In 2022, Singapore announced that it would raise its national climate target to achieve net zero emissions by 2050 as part of its Long-Term Low-Emissions Development Strategy. With the built environment and construction sector accounting for over 30% of the global carbon emissions, sustainable architecture has become a key consideration in how buildings are designed and constructed. We have invited Ar. Phua Hong Wei of WOHA Architects Pte Ltd and Mr Henry Woon of Atelier Ten (Asia) Pte Ltd to share their environmental approach and vision for the future of the industry.

We have also invited six architects from the Urban Redevelopment Authority's '20 Under 45' series to join the two speakers for a panel discussion on Sustainable Design and Practice. The discussion will be moderated by Ar. Larry Ng, Senior Advisor of the Board.

As seats for the seminar are limited, we would like to encourage you to register for the Seminar before **27 Oct 2023**. All participants will be given 8 CPD points for attendance.

We look forward to seeing you at the Seminar.

Yours sincerely

**AR. TRACEY HWANG

SPEAKERS

Mr Henry Woon

Director, Atelier Ten (Asia) Pte Ltd

Henry is one of the Founding Directors of Atelier Ten (Asia) office in Singapore. Since moving from London to Singapore to start the Atelier Ten Asia office, Henry has led a series of high profile, award-winning projects across Asia, including Jewel Changi, Canninghill Piers, Changi T5, MBS New IR and Clarke Quay Rejuvenation. He specialises in building and microclimate environmental design, integrating innovative engineering solutions to achieve sustainable building design objectives.

Sustainable Design of Tropical Architecture

As sustainable and environmental design becomes an important theme of architecture, climate responsive architectural design is an increasingly important aspect of work in this industry. This presentation showcases tropical architecture design considerations and key features, through projects referencing and sharing.

Ar. Phua Hong Wei

Director, WOHA Architects Pte Ltd

Hong Wei joined WOHA upon graduation from National University of Singapore. Hong Wei sees design as an optimistic intervention to catalyse positive change and is interested in a nature-driven approach to architecture and urbanism. Complementing his professional work, Hong Wei is a certified ISO Auditor, Green Mark Accredited Professional and Universal Design Assessor, and had served in National Library Board and NParks design advisory committees on accessibility and skyrise greenery. He was featured in URA's 3rd edition of '20 under 45' Architects exhibition in 2017. Hong Wei was involved in Crowne Plaza Changi Airport Hotel, Kampung Admiralty, Enabling Village, Oasia Hotel Downtown, Singapore Pavilion at Expo 2020 Dubai, and Pan Pacific Orchard Hotel. He is currently working on NS Square and Enabling Village extension.

Nature Positive

In his presentation 'Nature Positive', Hong Wei shares on his #WorkHAPPY journey to design a greener, happier, and healthier world.
